## **Marrone Bio Innovations, Inc. to Present at 10th Annual LD Micro Main Event Investor Conference in Los Angeles**

DAVIS, Calif., Nov. 21, 2017 (GLOBE NEWSWIRE) -- Marrone Bio Innovations, Inc. (the "Company" or "MBI") (NASDAQ:MBII), a leading provider of bio-based pest management and plant health products for the agriculture, turf and ornamental and water treatment markets, today announced that management is scheduled to present at the LD Micro Main Event Investor Conference in Bel Air, California. The conference is being held December 5-7, 2017 at the Luxe Sunset Boulevard Hotel in Bel Air, California.

Marrone Bio Innovations management will host one-on-one meetings throughout the day on Tuesday, December 5, 2017, and is scheduled to present as follows:

### **LD Micro Main Event**

Date: Tuesday, December 5, 2017

Presentation Time: 10:30 a.m. Pacific standard time

Location: Luxe Sunset Boulevard Hotel, Track 2 (11461 Sunset Blvd, Bel Air)

Webcast: <http://wsw.com/webcast/ldmicro13/mbii/>

Conference participation is by invitation only and registration is mandatory. For more information or to schedule a one-on-one meeting, please contact an LD Micro representative.

### **About Marrone Bio Innovations**

#### ***Smart. Natural. Solutions.***

Marrone Bio Innovations, Inc. (NASDAQ:MBII) strives to lead the movement to a more sustainable world through the discovery, development and promotion of biological products for pest management and plant health. MBI's effective and environmentally responsible pest management solutions help customers operate more sustainably while uniquely improving plant health and increasing crop yields. MBI currently has six commercially available products (Regalia<sup>®</sup>, Grandevo<sup>®</sup>, Venerate<sup>®</sup>, Majestene<sup>®</sup>, Haven<sup>™</sup> and Zequanox<sup>®</sup>) as well as eight product candidates in various stages of the company's rapid development pipeline. MBI also distributes Bio-tam 2.0<sup>®</sup> for Isagro USA in the western U.S. and Jet-Ag<sup>®</sup> for Jet Harvest in most regions of the U.S.

Marrone Bio Innovations is dedicated to pioneering smart biopesticide solutions that support a better tomorrow for both farmers and consumers around the globe. For more information, please visit [www.marronebio.com](http://www.marronebio.com).
