Marrone Bio Innovations to Present at the 19th Annual Rodman & Renshaw Global Investment Conference in New York on September 11th

DAVIS, Calif., Aug. 29, 2017 (GLOBE NEWSWIRE) -- Marrone Bio Innovations, Inc. (NASDAQ:MBII) (MBI), a leading provider of bio-based pest management and plant health products for agriculture, turf and ornamental and water treatment markets, today announced that management will attend the Rodman & Renshaw 19th Annual Global Investment Conference at the Lotte New York Palace Hotel in New York City on September 11-12, 2017.

Marrone Bio Innovations management will host one-on-one meetings throughout both days and is scheduled to present as follows:

Rodman & Renshaw 19th Annual Global Investment Conference

Date: Monday, September 11, 2017

Presentation Time: 10:25 a.m. ET

Location: Lotte New York Palace Hotel - 455 Madison Ave, New York, NY 10022

Webcast: <http://wsw.com/webcast/rrshq27/mbii>

Registration is mandatory. For more information about the conference or to schedule a one-on-one meeting, please contact your Rodman & Renshaw representative.

About Marrone Bio Innovations

Smart. Natural. Solutions.

Marrone Bio Innovations, Inc. (NASDAQ:MBII) strives to lead the movement to a more sustainable world through the discovery, development and promotion of biological products for pest management and plant health. MBI's effective and environmentally responsible pest management solutions help customers operate more sustainably while uniquely improving plant health and increasing crop yields. MBI currently has six commercially available products (Regalia[®], Grandevo[®], Venerate[®], Majestene[®], Haven[™] and Zequanox[®]) as well as eight product candidates in various stages of the company's rapid development pipeline. MBI also distributes Bio-tam 2.0[®] for Isagro USA in the western U.S. and Jet-Ag[®] for Jet Harvest in most regions of the U.S.

Marrone Bio Innovations is dedicated to pioneering smart biopesticide solutions that support a better tomorrow for both farmers and consumers around the globe. For more information, please visit www.marronebio.com.

Marrone Bio Innovations Forward Looking Statements

This press release contains forward-looking statements that involve substantial risks and uncertainties. All statements, other than statements of historical facts, included in this press release regarding strategy, future operations and plans, including assumptions underlying such statements, are forward-looking statements, and should not be relied upon as representing MBI's views as of any subsequent date. Examples of such statements include statements regarding sales of the Company's products, the potential benefits of the Company's products, and MBI's efforts with respect to expansion of its product labels in international markets. Such forward-looking statements are based on information available to the Company as of the date of this release and involve a number of risks and uncertainties, some beyond the Company's control, that could cause actual results to differ materially from those anticipated by these forward-looking statements, including consumer, regulatory and other factors affecting demand for the Company's products, any difficulty in marketing MBI's products in global markets, competition in the market for pest management products, lack of understanding of bio-based pest management products by customers and growers, and adverse decisions by regulatory agencies and other relevant third parties. Additional information that could lead to material changes in MBI's performance is contained in its filings with the SEC. MBI is under no obligation to, and expressly disclaims any responsibility to, update or alter forward-looking statements contained in this release, whether as a result of new information, future events or otherwise.
